

Woodman's Pal® Land Clearing Tool

Made in Pennsylvania since 1941 the Woodman's Pal® is praised as one of the best land clearing tools by surveyors, forest and land managers, soldiers, hikers and many more. Trim, prune, cut, blaze trails, remove unwanted growth and more with this quality tool.

Features –

- Specially annealed high carbon steel blade (Hardened to Rockwell C47 +/-2) will not crack or chip even in sub-zero temperatures
- Concave axe blade is convex ground for extreme strength and offers superior edge holding capabilities. The blade will cut wood up to 1 ½" in diameter w/ a single stroke.
- Chisel sharp sickle hook slices through stubborn vines and briars. Removes unwanted sprout growth at ground level.
- The line of balance runs precisely from the grip through the sickle edge creating a natural momentum for efficient, accurate and comfortable swinging motion.
- Black powder coating prevents rust and corrosion.
- Safety toe extending one inch up from the axe-side of the tool reduces risk of deflective injuries.

Offering three models complete with Nylon Black sheath

	List	SALE
48112 Classic – 16 ½" Length	\$79.95	\$67.95
28412 Military – 16 ½" Length	\$89.95	\$75.95
14512 Long Reach – 22" length	\$84.95	\$73.95

Scheifley's Grutz® Heavy-Duty, Low Odor Rust and Corrosion Inhibitor

Stops rust, coats and protects your Woodman's Pal®, machetes, axes, shovel, knives or any metal tool. A high performance water based rust preventative for use on metal surfaces. Contains no harmful or toxic materials. Meets performance requirements of Military Spec Grade 1.

LC100R Grutz® Rust/Corrosion Inhibitor 4 oz. List \$ 4.99 **SALE \$ 3.99**

Pop Pop Don's™ All Purpose Farm & Home Lubricating Oil

Seals and protects tools from rust and corrosion. Stops squeaks on hinges, doors, gates, windows etc. Contains no kerosene or other harsh solvents.

LC101R Pop Pop Don's® All-Purpose Lubricating/Rust/Corrosion Oil 4 oz. List \$ 4.99 **SALE \$ 3.99**

Sharpening stones for machetes, Woodman'sPal®, knives etc.

210HS Rect. Sharpening Stone 3 ¼" x 15/16" x 5/16" Course grit electro-Silicon Carbide – use w/ oil or water List \$ 3.45 **SALE \$ 2.95**

220HS Round Combination Fine/Course Grit Stone List \$10.95 **SALE \$ 8.79**

Gerber Brush Thinner

Carbon Steel blade with Gator Grip® handle. Total length is 19.5" and blade length is 9" with a weight of only 14.3 oz. Comes with sheath made of ballistic nylon.

2241061 Gerber Brush Thinner w/Sheath List \$58.12 **SALE \$38.95**

Gator Pro Machete

Head is made of forged steel with a Gator Grip® handle. Overall length is 16.5" and blade length is 10.5". Weighs 17.9 oz. and sheath is made of ballistic nylon.

31000705 Gerber Gator Pro machete w/Sheath List \$68.76 **SALE \$45.95**

PL-2000 Pipe & Cable Locator

Offers a new approach in high power, low frequencies, four modes of operation and both inductive and direct connection capabilities, the PL-2000 is powerful and versatile, but still surprisingly easy to use and cost effective. Can trace and locate any continuous metal such as iron, steel, and copper water lines, gas lines, tracer wire by plastic pipe, telephone/TV cables, copper and aluminum wire, conduit and power lines. Max depth 16-18 feet. Runs on 6 D cell batteries – Transmitter and 6 AA batteries – Receiver. Comes with Padded Case Transmitter, Receiver, Manual and Conductive Clips. 3 Year Warranty

PL2000 Pipe & Cable Locator **SALE \$3595.00**

18SC Direct Inductive Signal Clamp **SALE \$ 295.00**

18MT Sonde (Mini Transmitter) **SALE \$ 445.00**

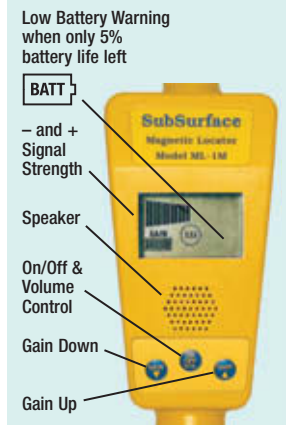

Subsurface Locators

The **Subsurface Magnetic Locators** are made by experienced design and manufacturing professionals. The ML-1 locator is a non-metered device and the ML-1M, featuring a digital meter that provides for visual signal strength, polarity indication, gain setting plus battery life display.

Used to locate Corner marker, iron or steel, Mag nails and PK nails, valve and curb boxes, iron and steel pipes, well casings, manhole covers, steel drums, septic tank handles, energized electric cables, marker magnets, unexploded bombs and more.

Features

- Easy one hand operation
- Easy keypad switches, no knobs
- Lightweight – only 2 lbs. including batteries
- Uses two regular 9-volt alkaline batteries
- Strong monotube construction provides structural integrity
- Headset jack (standard 8 ohm stereo)
- Microprocessor retains volume and gain settings from last use
- 7 year warranty
- Soft carry case included

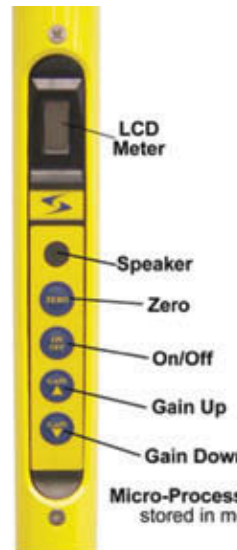

ML1 Locator without meter List \$795.00 **SALE \$676.95**
ML-1M Locator with LCD meter List \$845.00 **SALE \$719.45**

ML-3 SubSurface Magnetic Locator

ML-3 Features and Benefits

- Varying pitch audio signal mode using a moving coil speaker for enhanced audio output
- Flashing LCD indicator when battery is low
- Waterproof Sensor tube pressure tested up to 75' water depths
- 4 Button keypad – On/Off, Zero button – automatically calibrates ambient magnetic conditions, Gain up and Gain down buttons
- Complete w/soft case w/carry straps and inside pocket for batteries and manual
- Rugged construction for field conditions
- Detection of buried ferrous metal objects at depths up to 8 feet
- And More!!!!

Micro-Processor - Gain settings are stored in memory for next use.

Two models available – Long version 55" overall length and short version 40". Three standard 9 volt alkaline batteries (approx. 60 hours). **7 year warranty.** Operating temperature -13 degree to 140 degree F. Built and serviced entirely in the USA and more. Yellow color.

ML3S 40" Long ML-3 Magnetic Locator List \$915.00 **SALE \$819.00**
ML3L 55" Long ML-3 Magnetic Locator List \$940.00 **SALE \$839.00**

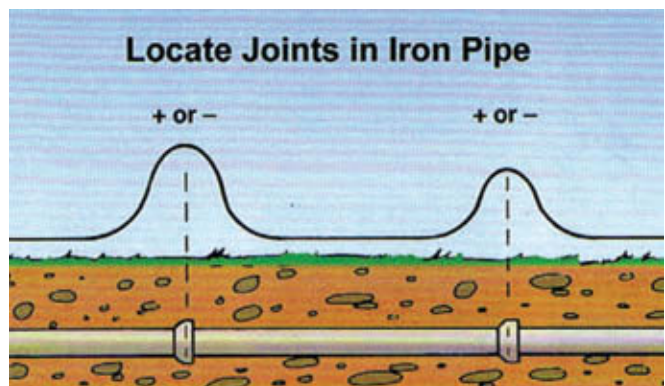

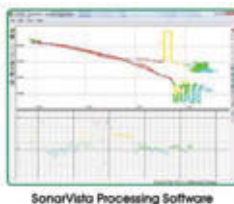

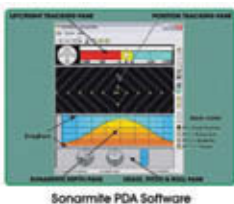

Hydrolite-TM™

Hydrographic Surveying Made Simple

The rugged Hydrolite-TM from Seafloor Systems looks and feels like your traditional hydrographic survey pole, but this state of the art system makes the tedious, automatic. It quickly measures and logs depths more accurately than standard systems, making fast work of ponds, rivers, lakes and more.

For more information on the Hydrolite-TM™ and pricing please call us at **1-800-833-9250**.

**Schonstedt® GA-52Cx and GA-72Cd
Heliflux® Magnetic Locator**

The **GA-52Cx** and **GA-72Cd** Locators find iron and steel objects underground. Both provide audio detection signals that peak in frequency when the locator's tip is held directly over the target. The GA-72-Cd includes an easy to read digital bar graph display showing signal strength and polarity.

- 802680** GA-52Cx Locator – 7 Year Warranty.....
List \$917.00 **SALE \$749.50**
- 802684** GA-72Cd Locator – 5 Year Warranty.....
List \$1041.00 **SALE \$879.50**

Both complete w/Hard case

**Schonstedt®
GA-92XT Series**

The Schonstedt XT Magnetic Locator Series. Fifteen months of research, design, and testing have produced the most portable Magnetic Locator ever made.

One hand operation makes finding faster, providing both audio and visual (XTd) model indication of ferrous objects up to 16' underground. Continues the tradition of Schonstedt ruggedness and reliability

Detects the magnetic fields of all ferromagnetic objects – property markers, manholes, septic tanks, well casings, valve boxes, cast iron pipes and more – up to sixteen feet below the surface.

Comes complete with holster and hard carry case.

The GA-92XT series of Schonstedt Locators feature –

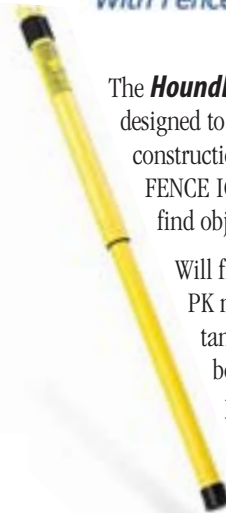

- One hand operation
- Operates in both retracted and extended modes
- Fingertip control of volume and sensitivity
- Quick change battery compartment
- Battery indicator on both models

- 802692i** GA92XTi Locator w/ LCD Gain/Battery Indicator – 7 Year Warranty. . .
List \$1020.00 **SALE \$879.50**
- 802692d** GA92XTd Locator w/ LCD Gain/Battery/Signal – 7 Year Warranty,
Strength Polarity Display List \$1020.00 **SALE \$879.50**

Both complete w/ Hard case and belt holster.

**HoundDog
Magnetic Locator**
With Fence Ignoring Technology

The **HoundDog Magnetic Locator** features two models designed to meet the needs of the surveyor and utility/road construction departments. Both models feature hi-tech **FENCE IGNORING Technology (FIT)** to find those hard to find objects under fences and around metal buildings.

Will find survey markers up to 8 feet deep, magnails, PK nails up to 14 inches deep, tank handles, oil tanks, steel drums, casings, valves, curb boxes, catch basins, cast iron pipes and more up to 9 feet deep.

- Operating temperature -13 to 140 degrees Fahrenheit
- 5 year Warranty
- Overall length 37 inches, weighs 1.75 lbs.
- Runs on one 9 Volt battery
- Detector can be submerged in the water up to the handle grip 30 inches
- Complete w/soft case

- 2100S** Surveyor HoundDog Magnetic Locator.....
List \$875.00 **SALE \$679.95**
- ID2100** Utility/Construction HoundDog Magnetic Locator...
List \$875.00 **SALE \$679.95**
