Mag-Nail *'Pound it harder, find it farther'*

ChrisNik's superior hardened MAG NAILS are rapidly becoming the preferred nail among surveyors worldwide. Benefits include: a stronger nail, a larger center point, and an induced magnetic field that has doubled and even quadrupled the detectability over any nail on the market today. The MAG NAIL has also been coated with a zinc and clear chromate to resist corrosion. 100 nail per box.

LEADING OUR FIELD ON THE WORLD

Benchtie

The Benchtie will save you time and money by allowing all benchmarks and ties to be plotted on work sheets for easy reference. The Benchtie is designed to be used with the information tag. Once the Benchtie is set and located, information can be recorded on the tag with a permanent marker. This will enable the surveyor to leave a benchmark that is easy to identify and use. There are 20 Benchties per box. Order per box. Only available in Yellow.
